

In order to properly use our block of hotel rooms to the fullest. I am requiring that anyone reserving rooms to send their entries in 10 days prior to the event. Many times we are limited to the number of rooms we can block and players are booking at other hotels only to come to find out that some rooms were cancelled at the end. Another concern of mine is that some players may not even want to attend if they cannot stay at the host hotel, which in turn will hurt the tournament and the tour. If you have booked rooms ahead of time and cannot make it, please release them as soon as you can. If you have not entered the event 10 days out, I will release the rooms back to the block for sale to our group. Thank you for your understanding in the matter.
